

Advanced Math L1: Estimated Plan, there may be some deviations

Class	Domain	Details
1	Problem Solving Strategies: Patterns, Tables, Draw it Out, and more	Students get exposure to Critical Thinking Problems and multiple approaches
2	Problem Solving Strategies: Patterns, Tables, Draw it Out, and more	Students get exposure to Critical Thinking Problems and multiple approaches
3	Problem Solving Strategies: Patterns, Tables, Draw it Out, and more	Students get exposure to Critical Thinking Problems and multiple approaches
4	Problem Solving Strategies: Patterns, Tables, Draw it Out, and more	Students get exposure to Critical Thinking Problems and multiple approaches
5	Patterns in Detail	Recognizing and solving Patterns
6	Patterns in Detail	Recognizing and solving Patterns
7	Place Values	
8	Place Values	
9	Pre Algebra	Simple introduction to variables and equations
10	Pre Algebra	Simple introduction to variables and equations
11	Pre Algebra	Simple introduction to variables and equations
12	Pre Algebra	Simple introduction to variables and equations
13	Logic Puzzles	
14	Logic Puzzles	
15	Logic Puzzles	
16	Logic Puzzles	
17	Simple Algebra	Simple application of algebra
18	Simple Algebra	Simple application of algebra
19	Simple Algebra	Simple application of algebra
20	Simple Algebra	Simple application of algebra
21	Geometry	2D Shapes
22	Geometry	Analyzing 3D shapes and counting
22	Geometry	Analyzing 3D shapes and counting
23	Geometry	Analyzing 3D shapes and counting
23	Introduction to Fractions	
24	Introduction to Fractions	
25	Introduction to Fractions
